
"ICE mode" operation only
Frost protection required on evaporating unit
Fan speed modulation required (below 18°C Condens. Air Temp. for less than 3 fans units)
Fan speed modulation required (below 10°C Condens. Air Temp. for 3 or more fans units)
Speedtroll required (below -10°C Condens. Air Temp.)
Condenser Inlet Air Temp. (°C)
Saturated Suction Temp. (°C)
