EHBX-D6V

EHBX-D9W

- 1 Holes ($\varnothing 8.5$) for wall fixation
- 2 Water out connection (1" F BSP)
- 3 Water in connection (1" F BSP)
- 4 Refrigerant liquid connection $\varnothing 6.35$
Flare connection
- 5 Refrigerant gas connection $\varnothing 15.9$
Flare connection
- 6 Pump
- 7 User interface
- 8 Safety valve
Pressure
- 9 Air purge
- 10 Expansion vessel
- 11 Magnetic filter / dirt separator
- 12 Heat exchanger (refrigerant / water)
- 13 Shut-off valves
- 14 Wire entrance of the power supply / communication wire
- 15 Service door
- 16 Switch box terminals
- 17 Switch box terminals for the domestic hot water tank (option)
- 18 Backup heater
- 19 Refrigerant pressure sensor
- 20 Space heating water pressure sensor
- 21 Options
