

EHBH-E6V
EHBH-E9W
EHBX-E6V
EHBX-E9W

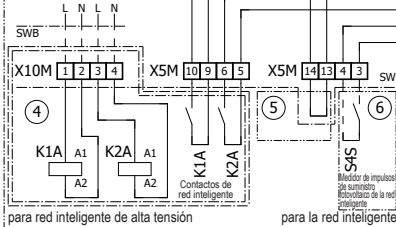

Opciones: salida de fuente de calor ext., salida de alarma

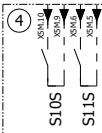

Opciones: Salida de encendido/apagado

Solo para la opción de PCB de E/S digital

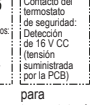

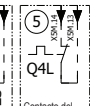

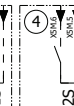

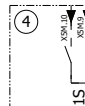

para red inteligente de alta tensión

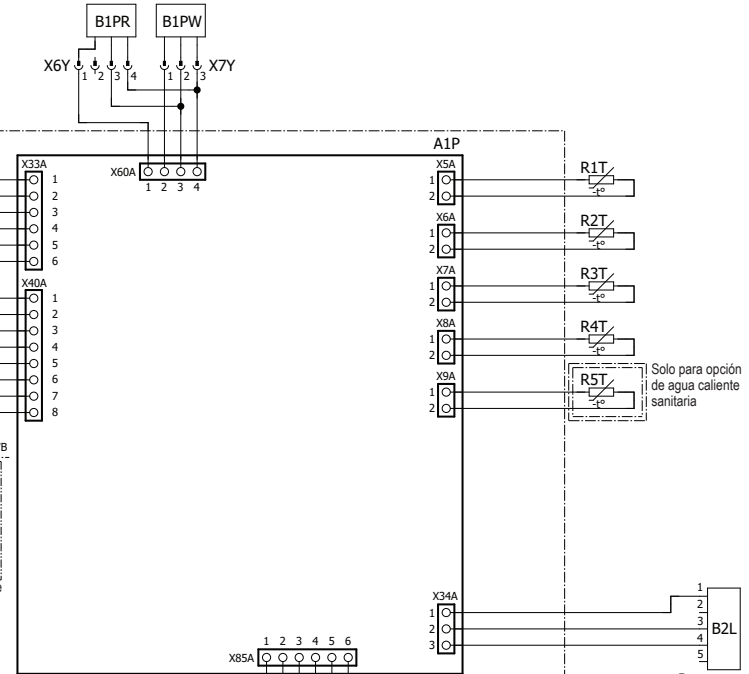

para la red inteligente

para red inteligente de baja tensión

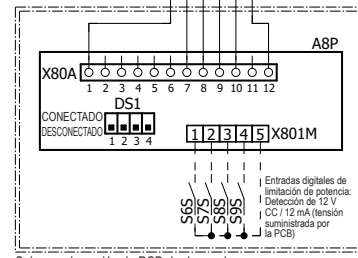

para termostato de seguridad

Solo para opción de agua caliente sanitaria

Para sensor de caudal de tipo impulsos

Solo para la opción de PCB de demanda
