

Cooling

The values above are for connecting with the following indoor unit types:

FTX20J3V1B, FTX25J3V1B, FTX35J3V1B

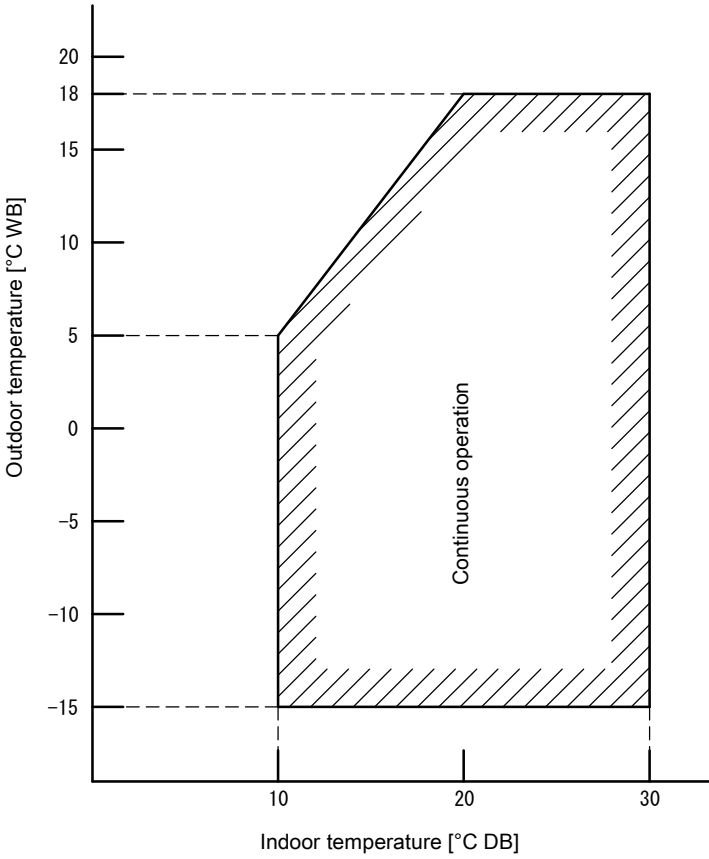

Cooling

The values above are for connecting with the following indoor unit types:

FTX20KV1B, FTX25KV1B, FTX35KV1B

Heating

Notes

- The graphs is based on the following conditions.
Corresponding refrigerant piping length: 5 m
Level difference: 0m
Air flow rate High
